Client survey results

Q1
What's your name?

Mark Pearl

Q2
How often will you use the product?

A few times a month

Q3
Does the product help you achieve your goals?

Yes, definitely

Q4
What is your favourite aspect of the product?

It handles all my data for learning expenses. Will be a useful tool.

Q5
What would you improve if you could?

Some of the UI is a little clunky (back button doesn't seem webby).

Q6
How satisfied are you with the product overall?

Satisfied

Q7
Please your share your reasons why

It's simple, it does what I need to.

Q8
How satisfied are you with your experience working with us?

Satisfied

Q9
Please share your reasons why

Was clear what we were going to do.

Understood the problem I needed solved

Q10
Do you have anything else you would like to share?

Respondent skipped this question
